**DAIHATSU ADELAIDE MARATHON AND HALF MARATHON  
SUNDAY 1st SEPTEMBER 1991**

**TIME 7 a.m. START**

**RACE NUMBERS**

You must wear your race number so that it is visible at all times as you cross the finish line. Pin the race number securely. Do not secure the tear off section of your number. This section will be removed by the officials at the check in and finish chutes.

**UNOFFICIAL RUNNERS**

Runners without official numbers will be prevented from crossing the finish line. Unofficial runners completely disrupt any well organised timing system.

**PARKING AND ROAD CLOSURES**

Parking is not available this year on the Torrens Parade Ground, as it is already being used. However parking is available in the car-park on the south side of the cricket ground on War Memorial Drive.

**CHECK IN ON RACE DAY**

All participants are required to check in on race day with their number correctly pinned to their chest. At that time, your start identification tag will be removed from your number by an official. The location for this will be just inside the Southern gates of Adelaide Oval (off Memorial Drive). Check in times for all competitors will be between 5.45 a.m. - 7.00 a.m. Please do not leave check in procedures to the last moment.

**PRE-RACE TOILETS**

These are situated inside the Adelaide Oval, all of which will be open for runners use.

**GEAR BAGS - BRING YOUR OWN**

Gear bags will not be provided, but gear may be left at the start, in your own bag clearly marked with your full name and race number and will be transported to the finish area. Your gear bag can be collected from the Gear-tent at Elder Park. Do not leave fragile or valuable articles in your bags.

**THE START-WALKERS 6 a.m.**

Walkers choosing to go earlier are advised to sign the sheet hung up at the start noting their start time. Officials will not be available for check in prior to 6 a.m.

**WHEELCHAIRS 6.55 a.m.**

## **HALF MARATHON AND MARATHON 7.00 a.m.**

After check-in, walk through Adelaide Oval outer area, and around to the Victor Richardson Gates, on the Eastern side of the oval. Water is available here. The start line is adjacent to Victor Richardson Gates on King William Road. WALKERS starting at 6 a.m. must remain on the footpath and obey traffic lights and road rules until the runners catch up to them.

### **THE COURSE**

The course is entirely on the road, (except for the section that passes under the bridge at King William Road). You should not cut across footpaths at the corners. Marshals will be located at key points to direct you. Please thank them for the time they have given freely. The course is traffic free for 4 hrs. 15 mins. This is 6 minutes per kilometre pace. A Police Vehicle will travel at 6 km pace - competitors slower than this pace must move onto the footpath. The co-operation of the South Australian Police Department makes the Daihatsu Adelaide Marathon the success it is, please show your appreciation to those Police Officers who assist on the day.

### **DISTANCE MARKERS**

The course is certified to AIMS/IAAF standards, and is exactly 42.195 km long. You will find distance markers prominently displayed every 1 km.

### **NOTE FOR HALF MARATHON**

Kilometre markers every kilometre for first 8 km then at 15 km and 20 km.

**NOTE THE HALF MARATHON TURN AROUND IS JUST PAST THE 8 km MARKER.**

### **TOILETS EN ROUTE**

Toilet locations are marked on course map - 'T'.

### **DRINK STATIONS**

Drink stations will be located at the start and finish, as well as 12 other locations around the course. PICCADILLY NATURAL SPRING WATER, tissues, petroleum jelly will be available at these drink stations. (Sponges during the last half of event). St. Johns Ambulance personnel will be located at each drink station and at the finish area to provide first aid treatment. Members of Australian Citizen Radio Monitors (ACRM) will provide communications around the course.

### **SPECIAL DRINKS**

Special drinks must be placed in appropriate boxes, immediately outside the Victor Richardson Gates of the Adelaide Oval. The boxes will be there at 5.30 a.m. and a vehicle will be transporting them to the appropriate drink stations at 6.30 a.m. exactly. No drinks will be accepted after this time. There will be a separate box for each drink station, which will be marked as such, and it will be your responsibility to place your drinks in the correct box. All drinks should be clearly marked with runners name and race numbers. Special drinks will be located at the first table as you approach each drink station.

## **PROVISION FOR DROPPING OUT**

As the course is traffic free, there will be no vehicles driving around the course. If you feel you cannot continue, then stop at a drink station and notify official personnel you are dropping out. Avoid being unable to finish by drinking early and often. Slow your pace in the early part of the race, particularly if you have averaged less than 100 km per week in the 2 months prior to the race.

## **CHANGE FROM MARATHON TO HALF MARATHON**

A change on race day must be notified before 6.30 a.m. A new number must be issued so your results can be validated. Preferably notify the office by Thursday 29th August.

## **WITHDRAWAL**

To withdraw from the race, please notify the office before Thursday 29th August. A medical certificate will be required if you request a refund. Credit will be given to you to race in a future SARRC event. An administration fee applies to all withdrawals.

## **THE FINISH**

Your time will be taken accurately as you cross the Finish Line. Watch the display clock as your check. You must stay in finish order while in the chute, until your tag is detached. A photo will be taken as you cross the finish line, so look up and SMILE! To ensure good finisher photographs do not finish close behind another runner, move to one side, as you will also be on video.

If you have ordered Finisher Merchandise it will be available from the SARRC Office. If you have paid postage, your merchandise will be sent. If you haven't ordered Finisher Merchandise, orders will be taken in the Merchandise Tent on race day. Finisher Medallions, certificates and goodie bags for the Marathon will be presented to you as you leave the finish chute.

## **RESULTS**

As soon as results are validated, all Finishers will be mailed their official printed results, including a label for finishers certificate, complete results list, and a proof photograph of your finishing the Marathon or Half Marathon. Remember you must check in at the start to be validated as a finisher.

## **FINISH SERVICE**

Medical Services (e.g. Podiatrist, Doctor, Physiotherapist) will be available in the finish area.
