MARATHON REPORT

WHYALLA

May 6, 1979

by IAIN DOBBIE

Conditions at the start were very good—cool, calm and overcast. During the race however the wind got up and runners had to battle into a strong headwind over the last 5km.

The race started at a very sedate pace and the leaders at 5km (17.58) were David Byrnes (Vic), Ron Gribble (NSW) and Bob Harrison (WA). They were followed by Adelaide runners David Martin, Phil Afford and Trevor Mitchell and local runner Iain Dobbie.

On hearing the time at 5km Byrnes increased the pace, dropping first Harrison and then Gribble to be clear by 10km. Byrnes went on to win comfortably and confidently in 2h 27min 43sec after being 1h 15min at half way.

Ron Gribble, 42 years old and competing in his 42nd marathon, ran steadily throughout to take 2nd spot in 2.36.48.

Third place seemed to have a jinx on it. Firstly Harrison blew up, to finish 14th in 11 seconds over 3 hours, then it was Martin's turn, dropping back three places to 6th in the last few kilometres. Mitchell, who has only been running for six months and was taking part in his first marathon, was sick with 3km to go and was passed by Afford, who finished 3rd—but misheard his time at 40km as 2.38.00 instead of 2.30.38 and coasted home in 2.40.21, which is 21 seconds outside the qualifying time for the national marathon.

Iain Dobbie was 5th in 2.43.21 after running steadily the whole way. The only other Whyalla Harrier in the top twenty was Peter Hendry. Hendry moved from 19th at half way to finish 8th in 2.50.23.

There were five women among the starters, all of whom finished. Jan Dobbie of Whyalla was 1st in 3.34.21 from Sipra Lloyd (Adelaide) 3.41.40, Jan Brown (Whyalla) 3.56.20, Nora Sutcliffe (Adelaide) 4.30.10 and Linda Lange 5.02.00.

DAVE BYRNES (Vic) is having a great season, coming 2nd in the Big M Marathon and winning this event. (John Punshon)
