Dear Marathon Entrant
Congratulations on completing the 1990 Halls Gap
Marathon.

The Stawell Amateur Athletic club is proposing to hold the event next year (1991) on 28th April at 8.00am and over the same course. The one change being considered is an increase in entry fee (to \$15) We welcome any comments, good or bad about the race, the course, organisation, starting time, finish facilities and this proposed change to entry fee. A huge number of people helped during the event, the Stawell Lions manned the 14k/34k feed station, the Stawell Girl Guides manned the 19k/29k feed station

First aid was Mr Charlie Woodman, a retired ambulance officer, whose expert assistance is essential for an event such as this

The Masseur Mr David Elliott and Masseuse Mrs Glad Woodman who rubbed that tired flesh until almost 4 pm were voluntary helpers who the club thanks and the friends of club members and the club members of the SAAC who manned the other drink stations and finally congratulations to Robbie Wallace, 4 times winner and second once,
