

THE NEWS CITY-BAY FUN RUN, 1977

Date: 18 September 1977

Start: Adelaide Town Hall Finish: Moseley Square, Glenelg

Distance: 7 miles/11.3 km Finishers: n/a

THE NEWS did not publish the results. Instead they were posted on the window of the News Building in North Terrace for a couple of weeks. A report of the fun run would have been published on Monday 19th September 1977, by both The Advertiser and The News. These can be found in the State Library's newspaper archives and will eventually be accessed to increase our knowledge of the event.

Readers who participated in the 1977 event or know anyone who did are invited to send me any results they have, including times, position and other relevant information. My email address can be found on the SA Distance Events Stats page.

The following names are obtained from the historical record of all winners on the City-Bay web site. Farrington's actual time for the 11.3km is estimated from the published "converted to 12km times". Moyle's time appears to be her actual finish time on the day – indicating there are some errors in the "converted" list.
